These unaudited condensed interim consolidated financial statements for the nine months ended September 30, 2020 (the "Interim Financial Statements") have been prepared in accordance with IAS 34 - *Interim Financial Reporting*. The Interim Financial Statements should be read in conjunction with the annual consolidated financial statements for the year ended December 31, 2019 ("Annual Financial Statements"), which have been prepared in accordance with International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board ("IASB").

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These Interim Financial Statements have been prepared using accounting policies consistent with those used in the Annual Financial Statements.

#### 4. SIGNIFICANT ACCOUNTING ESTIMATES

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates. In preparing these Interim Financial Statements, the significant judgements made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the Annual Financial Statements, except for those described below:

- (i) Fair value measurement on consideration towards the Kinsley purchase-option agreement: The Company has applied estimates in determining the fair value of the consideration received from New Placer Dome Corp. as consideration towards the Kinsley purchase-option agreement, and its classification as a financial instrument at fair value through profit and loss.
- (ii) Fair value measurement on recognition of guaranteed staged payments on the sale of Halilağa: The Company has applied estimates in determining the fair value on initial recognition of the guaranteed payments to be received from Cengiz Holdings A.Ş. In particular, there may be heightened risk of mineral property impairment and liquidity or going concern uncertainty.

During the period ended September 30, 2020, the Company has made efforts to safeguard the health of its employees, while continuing to operate safely and responsibly maintain employment and economic activity. This includes the adoption of a work from home and no-fly policy for the Company's office employees in early March, and the establishment of strict internal and external protocols for our employees, contractors and associates at our exploration properties.
